TIME TO REBUILD ADVERTORIAL An initiative by 1919 e Odisha Way

Place: New Delhi

Turning Covid-19 into an Opportunity for Development!

VEN after months of restrictive measures, the COVID-19 crisis is far from over today. Though the panic and fear of coronavirus seems to have subsided among people, its effects on the world economy are having serious repercussions on the lives of people across the globe, leading to the loss of livelihoods, rise of unemployment, economic stagnation and a crisis.

Even in these dark times and despite limited resources, Odisha has made tremendous strides under the able guidance and leadership of Chief Minister Naveen Patnaik. In May, the state planning board was jolted into action to revive the economy hit hard by the COVID-19 pandemic. The planning board decided that the focus of the state will be on four key areas that have the potential to boost the economy, including agriculture and rural economy, MSMEs, public health and industry, tourism and other aspects.

Knowing that the Agriculture sector contributes 20% to the state's GDP and employs 70% of its population, the State Government is currently focussing on sustainable agriculture and increasing farmers' income through different strategies like crop diversification, use of technology and providing of better marketing linkage.

To ensure continuation of the rural economic chain, handloom producers and workers are being offered economic assistance to keep up their production activities. Being an agrarian state, Odisha is currently set to diversify agriculture to absorb more people in the net and increase per capita income in agriculture. "The small-scale agriculture-based industries with focus on food processing can provide livelihoods to a large number of people. People returning from other states with skills can be employed in these industries with little training and skill development."

To retain the returned migrants, the Odisha government is "planning to provide small and medium-term financial assistance for setting up of new rural enterprises and businesses." This initiative will ensure that the skills and labour of migrants are used for the development of the rural economy. The state government had announced a package of Rs 17,000 crore for sustaining livelihoods in rural areas. The Odisha government aims to generate employment opportunities through different sectors such as agriculture, fisheries, MGNREGS, skill development, forestry, handlooms

To spur tourism in the state, the Odisha government launched the 'Odisha By Road' campaign last month, flagging off a 25-km bike rally in Bhubaneswar. Launching the new initiative, Odisha Tourism Minister Jyoti Prakash Panigrahi said, "We plan to woo tourists to hill-stations, tribal hinterlands, beaches and let them experience the cuisine, heritage, adventure, ethnic encounters, arts and handicrafts, leisure, wildlife and ecotourism. We are encouraging tourists to visit eco-tour nature camps, OTDC properties and spend nights at such places that would help kickstart the economy."

To promote and popularise Odia cuisine, the minister also announced a chain of authentic Odia cuisine restaurants named "Nimantran". Once in Odisha, you will not only experience the lip-smacking state cuisine, but also explore several picturesque destinations such as Chilika lagoon, Bhitarkanika National Park and lesser known sea beaches like Chandipur, Udaypur-Talasari and Dagara. The tourism

department has finalised 15 itineraries, which include hill stations and tribal hinterlands, for the 'Odisha by Road' campaign.

Currently, the state government is planning a new, attractive and progressive industrial policy to attract investors in various sectors. Besides the industrial policy, several sector-based policies are also in the pipeline. According to sources, "The government is expected to revise its incentives in power and water supply besides tax relief for non-mineral industries. Easy availability of land through land bank and readyto-operate infrastructure in industrial clusters like PCPIR in Paradip, steel hub in Kalinganagar, aluminium park in Angul, food park in Khurda, and textile park in Bhadrak will be highlights of the new policy. Besides giving thrust on MSME sector and start-ups, the policy is expected to draw up three new sectorspecific policies on BPO, the Odisha State Data, IT and electronics. The new industrial policy is likely to be announced before the third edition of Make in Odisha meet."

Bringing SMILE to the Rural Life... GROUP Weigh Bridge Road, Barbil, Dist : Keonjhar - 758 035; Odisha Website: www.snmgroups.com

With new policies and a fresh mindset to tackle the effects of the pandemic, the Odisha government is leaving no stone unturned to revive state economy

Prafulla Kumar Panda Executive Director (HR & IR)

THE COVID-19 Pandemic, besides posing a severe threat to the human race, has shaken the business world across all sectors. But all the Group Companies of OSL, operating in verticals like Stevedoring, Hospitality, Education, Trading, Mining, Ports, Shipping, etc. have confronted the dreaded disease and its cascading impact with our inbuilt strength and highly committed workforce. Our management philosophy of "One Team, One Dream" really

got reflected in results during this crisis. we handle essential services/commodities like Port Operation, Shipping, Fertiliser, Logistics, etc. it was a tough task to keep operations undisrupted in these vital sectors by balancing factors like fear of spread of Corona, scant availability of workforce, compliance to COVID-19 norms, job demands and business compulsions. But the team of dedicated and committed workers and the visionary leadership of the management team have proven "We can win" against adversity. Regular sanitisation of workplace, ensuring hand washing and use of sanitisers by workforce, wearing of masks and running operations with minimum workforce are the interventions sincerely and honestly implemented to prevent spread of COVID-19. As a responsible Corporate Citizen we provided food packets to the Corona Yodhas as a token of our support and obligation towards them. We sincerely hope and wish the world will be free of this pandemic and its ill effects sooner rather than later.
